

Come to our Bearcat Carnival

# Teddy Bear Factory

Sponsored by Stitch for a Cause

Make a friend for life!  
Have a great time stuffing your own  
15-inch brown, plush teddy bear!

**Just \$10 each!**

Each bear comes with a birth certificate and  
a special heart insert for you to put inside.  
Your new friend will have your love in their heart forever!

When finished stuffing your bear, complete the birth  
certificate to give your new friend a name and  
record the characteristics of their creation.

Then, pick out one of our **HANDMADE teddy bear scarves**  
for your new friend before you take him home!

---

**You can also make a bear to donate to charity!**  
All donated bears will be delivered to children  
at Kosair Children's Hospital.
